Feel free to use the **Green Directory** to locate any Green, Sustainable, Environmental Products, Services, Courses and Events in the UAE www.greenemirates.org/GreenDirectory.

The **GreenDirectory** has now reached 550 entries and growing. The aim is to provide an independent and comprehensive resource of the widest range of information on Green and Sustainable activities, initiatives, events, products and services specifically focused on the United Arab Emirate. Please contact directory@greenemirates.org if you are not listed.

SBN's 'Knowledge and Networking' events are the perfect way to **promote your company** amongst industry professionals, corporate occupiers and subject matter experts and service partners in the Middle East. With up to 60 professionals at each session, it's the perfect way to **secure brand recognition**. For more information on our suite of sponsorship Opportunities, contact sponsor@sustainabilitybusinessnetwork.net
